

Param Value

```
graph BT; IpWithPort --> IpAddress; IpAddress --> ParamValue[Param Value];
```

A diagram showing a vertical hierarchy of three rectangular boxes. The bottom box is labeled 'IpWithPort', the middle box is labeled 'IpAddress', and the top box is labeled 'Param Value'. A vertical arrow points from the top of the 'IpWithPort' box to the bottom of the 'IpAddress' box. Another vertical arrow points from the top of the 'IpAddress' box to the bottom of the 'Param Value' box.

IpAddress

IpWithPort
