

SimObject

```
classDiagram
    class SimObject
    class X86IntelMPConfigTable
    X86IntelMPConfigTable --|> SimObject
```

A UML class diagram showing inheritance. The class 'X86IntelMPConfigTable' is at the bottom, and 'SimObject' is at the top. A vertical arrow points from the top of 'X86IntelMPConfigTable' to the bottom of 'SimObject', indicating that 'X86IntelMPConfigTable' inherits from 'SimObject'.
